Joint Cubs and Scouts activity on the James Craig tall ship, TBC November. The weekend activity will be held on the James Craig and the Maritime Museum.

Timings and Housekeeping notes:

Uniform. Note that, for insurance as well as appearance purposes, Cubs MUST travel to and from Cub Activities in proper Cub uniform. If any items are missing, we can replace them, but not on the night!

Footwear. We spend a lot of time outdoors, even on hall nights. Please make sure that your Cub is wearing footwear suitable for outdoor activities. Bare feet, Rabens, and Crocs are NOT suitable, and may restrict the activities the Cub is allowed to take part in.

Please pick up on time, leaders also need to get away quickly in the evenings as we have other time-sensitive commitments most Tuesdays. When you do pick up your Cub (on time), please let a Leader (preferably me) know, so that I can maintain correct contact and handover of the Cubs (I haven't lost any, yet....).

A1 forms (signed) are needed for all external activities. These will be sent out ahead of time for the relevant events. The in hall nights are covered by the Program A1 sent out each semester. Only the 1st page needs to be returned. These forms are essential for insurance and accountability reasons and need to be completed as required.

Each Tuesday we run a Parent Helper Schedule. This term we are trying out a new schedule. I would like Parents to volunteer for a period of a month or 6 weeks. If this time is inconvenient, please try to swap with another parent in your desired time slot. We are trying to construct a consistent schedule, so that adhoc schedule changes are minimised. Your help is greatly appreciated. There are some important reasons why we need this assistance:

We do require at least one female parent to be in attendance each week, a requirement for a mixed Pack as we are.

We will have, on average, 30-35 Cubs each night – which is great! If we have parents to help we can get more things done in the time we have.

You get to see how Cubs Scouts work, and you might be surprised how well your child copes with it all.

We look forward to your help and attendance for the coming year. Parents attending and helping out will get a different view of their Cub each week, usually for the better!!
