## **Housekeeping notes:**

**Drop off – Pick Up:** Please endeavor to drop off and pick up Cubs at the times specified. On Hall nights come down to the Hall. When picking up your Cub, please let the coordinating Leader know, so that we can maintain correct contact and handover of the Cubs. Cubs must stay with the leaders until picked up by their parents or a responsible adult authorized to do so by their parents.

**Uniform:** For insurance as well as appearance purposes, Cubs MUST travel to and from Cub activities in full Cub uniform. It is important that the uniform is well maintained and worn correctly. (for example: Scarves rolled neat & tight, with a woggle). If any items are missing, we can replace them, but not on the night!

**Footwear:** We spend a lot of time outdoors, even on hall nights. Please make sure that your Cub is wearing footwear suitable for outdoor activities. Bare feet, Thongs, Sandals, and Crocs are NOT suitable or safe, and may restrict the activities the Cub is allowed to take part in.

**Parent Helpers:** To achieve the best experience for the Cubs, and maintain the required 1 Adult to 6 Children ratio we have included a Parent Helper roster into the term programs, (Cubs surname of family helping). If you can't make the evening you have been rostered on for please swap with another parent (Family) or let the coordinating leader for that event know ASAP. *If you are dropping your Cub off and are at a loose end till you pick them up please feel free to stay and help, let the coordinating leader know and join in.*

It is a legal requirement that all parents staying on an overnight camp have a valid Working With Children Check Number (WWCC, free for volunteers) and enter this on a Scouts Parent Helper form (A2 form). As we expect parental assistance at camps, at least one parent for each Cub is required to fill the A2 form out (just once) and email it to the Group Leader; confidentiality in all matters is one of our main priorities. This process protects all Cubs in Australia. For further details email cub leader Jan.

**Leader Structure:** All the leaders are volunteers and have other commitments that may restrict what events they can attend. As such the Coordinating Leader (CL) will change from event to event, please see the Term Programs for the CL. The CL will endeavor to confirm the details of an upcoming event - time, place, equipment requirements, activities etc etc. If no confirmation is received refer to the program. Please refer all queries, correspondence and admin matters to the CL for that event.

**CareMonkey and electronic permission forms:** The permission forms (formerly known as E1s) provide parents with information about events away from the Ivanhoe Park area, to enable them to make an informed decision about their child attending. Forms are sent out ahead of time for the relevant events using the CareMonkey system. One or both parents need to set up a CareMonkey account. Please indicate that your Cub cannot attend, even at the last moment, by declining permission (you can change earlier decisions). For all CareMonkey queries, contact cub leader Kevin.

**Boomerang Badge Work:** The Cubs should be putting in some individual effort for their Boomerang badges. Therefore it is expected the Cubs will have some elements either ready for assessment or have a good idea of what is required. Eg: For the Ropes section, a little practice at home with a rope tying a reef knot, clove hitch or sheetbend for the Silver Boomerang will give them a lot more pride in the badge than just being shown it and copying.
